

## **Curriculum Vitae**

**Michael John L. Sullivan, Ph.D.**  
**Professor of Psychology, Medicine, Neurology, Neurosurgery,**  
**Physical and Occupational Therapy**  
**Canada Research Chair in Behavioural Health**

Mailing address:

Department of Psychology  
McGill University  
1205 Docteur Penfield  
Montreal, Quebec H3A 1B1  
Canada

Laboratory website:

## Educational History

**Ph.D. (1988). Concordia University**, Montreal, Quebec  
Specialty: Clinical Psychology, APA Acc.: Supervisor: Dr. M. Conway

**M.A. (1983). Concordia University**, Montreal, Quebec  
Specialty: Clinical Psychology, APA Acc.: Supervisor: Dr. W. Brender

**B.A. (1981). McGill University**, Montreal, Quebec  
Specialty: Psychology (Honours); Supervisor: Dr. Y. Binik

## Overview

### Teaching Experience:

Professor of Psychology, Medicine, Neurology and Neurosurgery McGill University	2006 – present
Professor of Physical and Occupational Therapy, McGill University	2007 – present
Adjunct Professor of Psychology, Université de Montréal	2006 – present
Professor of Psychology, Université de Montréal	2004 – 2006
Associate Professor of Psychology, Université de Montréal	2002 – 2004
Associate Professor of Psychology, Dalhousie University	1995 – 2002
Assistant Professor of Psychology, Dalhousie University	1990 – 1995
Sessional Instructor, Psychology, Carleton University	1988 – 1990
Sessional Instructor, Psychology, University of Ottawa	1987 – 1988

### Clinical Experience

Psychologist, University Centre for Research on Pain and Disability	1992 – present
Atlantic Pain Clinic	1997 – 2000
Psychologist, The Rehabilitation Centre, Ottawa	1987 – 1990
Psychometrist, The Rehabilitation Centre, Ottawa	1986 – 1987
Pre-Doctoral Intern, The Rehabilitation Centre, Ottawa	1985 – 1986
Psychology Intern, Applied Psychology Centre, Montreal	1982 – 1984
Psychology Intern, Douglas Hospital, Montreal	1983 – 1983

### Domain of Clinical Expertise

I conduct clinical practice through the University Centre for Research on Pain and Disability. My clinical involvement includes assessment, intervention, and consultation with insurers and legal professionals concerning the management of pain-related disability. My practice also focuses on occupational injury, trauma, depression, and stress-related disorders.

### **Administrative Experience**

Internship Director, Department of Psychology, McGill University	2008 – present
Chair, Subcommittee on Research and Knowledge Exchange: McGill University Health Centre RUISS	2010 – present
Chair, Pain and Movement - Special Interest Group of the International Association for the Study of Pain	2005 – 2008
Responsable de l'axe: perception et communication du Centre de recherche interdisciplinaire en réadaptation du Montréal métropolitain (CRIR)	2005 – 2007
Coordinator of Clinical PhD Program, Dalhousie University	1998 – 2002
Director of Clinical Services, Atlantic Pain Clinic	1997 – 2000
Director, Fenwick Psychological Services	1992 – 2000

### **Federal Funding Adjudication Experience**

Member, CIHR Salary Awards 'A'	2009 – present
Chair, CIHR Salary Awards 'A'	2003 – 2004
Member, CIHR: PSB Adjudication Committee	2000 – 2009
Member, NHRDP: Adjudication Committee	1998 – 2000
Member, SSHRC: Adjudication Committee	1997 – 2002

### **Editorial Board Functions**

Associate editor: Journal of Occupational Rehabilitation	2008 – present
Member, Editorial Board: Pain Medicine	2008 – present
Associate editor; Pain	2005 – 2009

### **Journal Ad Hoc Reviews**

Pain (1997 - )
Brain (2003 - )
Pain Medicine (2008 - )
Anesthesiology (2004 - )
Journal of Pain (2003 - )
European Journal of Pain (2003 - )
The Journal of Pain (2004 - )
Pain Research and Management (2000 - )
Clinical Journal of Pain (1998 - )
Journal of Behavioral Medicine (2008 - )

## Current Research Positions

<b>Consultant</b> Group Health Research Institute Prediction of Chronic Back Pain Planning Study Seattle, WA	2010 – present
<b>Consultant – Disability Management</b> MDRC - social policy research – disability management New York, NY	2006 – present
<b>Chercheur régulier</b> Centre de recherche interdisciplinaire en réadaptation du Montréal métropolitain (CRIR)	2002 – present
<b>Researcher</b> Research Institute McGill University Health Centre	2006 – present
<b>Consultant – Psychological Services</b> Commission de la santé et de la sécurité du travail (CSST) (Province of Quebec Occupational Injury Insurer)	2002 – present
<b>Consultant - External Scientific Advisory Panel for the Centre of Disability Research</b> Liberty Mutual Research Institute for Safety Hopkinton, MA	2011 – present

## Distinctions

<b>Award for Distinguished Contributions to Psychology as a Profession</b> Canadian Psychological Association	2011
<b>Canada Research Chair in Behavioural Health</b> CIHR	2007 – 2014
<b>Career Investigator Award</b> CIHR/SSHRC/NHRDP	2000 – 2005

## Submitted Refereed Papers

- Scott, W., **Sullivan, M.J.L.** Perceived injustice moderates the relationship between pain and depression among individuals with persistent musculoskeletal pain. Submitted.
- Scott, W., Wideman, T.H., **Sullivan, M.J.L.** The magnitude of change on pain catastrophizing required for clinically meaningful improvement on pain severity and employment status: A prospective study of individuals with whiplash injuries. Submitted.
- Wideman, T.H., Main, C.J., Lewis, M., **Sullivan, M.J.L.**, Hill, J.C. Comparing the responsiveness of a brief, multidimensional risk screening tool for back pain to its unidimensional reference standards: The whole is greater than the sum of its parts. Submitted.
- Martel, M-O, Trost, Z., **Sullivan, M.J.L.** The expression of pain behaviors in high catastrophizers: The role of automatic and controlled processes. Submitted.

## Accepted/ In Press Refereed Papers

- Sullivan, M.J.L.**, Simon, G. A telephonic intervention for promoting occupational re-integration in work-disabled individuals with musculoskeletal pain. *Translational Behavioral Medicine*, in press.
- Sullivan, M.J.L.** The Communal Coping Model of pain catastrophizing: Clinical and research implications. *Canadian Psychology*, in press.
- Sullivan, M.J.L.**, Adams, H., Ellis, T. Targeting catastrophic thinking to promote return to work in individuals with fibromyalgia. *Journal of Cognitive Psychotherapy*, in press.
- Sullivan, M.J.L.**, Scott, W., Trost, Z. Perceived injustice: A risk factor for problematic pain outcomes. *Clinical Journal of Pain*, in press.
- Trost, Z., France, C.R., **Sullivan, M.J.L.**, Thomas, J.S. Pain-related fear and avoidance of spinal motion following experimental back injury. *Pain*, in press.
- Mankovsky, T., Lynch, M.E., Clark, A.J., Sawynok, J., **Sullivan, M.J.L.** Pain catastrophizing predicts poor response to topical analgesics in patients with neuropathic pain. *Pain Research and Management*, in press.
- Martel, M-O., Wideman, T., **Sullivan, M.J.L.** Pain patients who display pain behavior are perceived as less likable, less dependable and less likely to return to work. *Pain*, in press.
- Trost, Z., Vangronsveld, K., Quartana, P.J., Linton, S., **Sullivan, M.J.L.** Cognitive antecedents of anger in chronic pain. *Pain*, in press.
- Wideman, T.H., **Sullivan, M.J.L.** The development of a cumulative psychosocial risk index for problematic recovery following work-related musculoskeletal injuries. *Physical Therapy*, in press.

## **Colloquia and Invited Clinical Presentations**

Mental health problems associated with musculoskeletal injury: implications for the physiotherapist.  
Physioactif. Laval, QC, January 2012.

Psychosocial interventions for the prevention of pain-related disability.  
Department of Occupational Therapy. McGill University. Montreal, QC, November 2011

Psychosocial Risk Factors for Pain and Disability: Detection and Intervention.  
WorkSafeBC, Kelowna, BC, October 2011.

Targeting psychosocial factors to promote occupational integration.  
Liberty Mutual's Regional Medical Directors Meeting. Hopkinton, MA. July 2011.

Le rôle de la perception d'injustice dans la réadaptation des personnes ayant des  
lésions musculo-squelettiques.  
SAAQ. Quebec City, QC, June 2011.

Psychosocial interventions for the prevention of occupational-related disability.  
LifeTEAM. Walnut Creek, California, June 2011.

Perceived injustice as a risk factor for problematic recovery.  
Saskatchewan Workers' Compensation Board. Regina, SK, May 2011.

Psychosocial interventions for the prevention of pain-related disability.  
Department of Health and Rehabilitation Sciences, University of Cape Town University.  
Cape Town, South Africa, April 2011

PGAP : An evidence-based treatment program for reducing disability associated with  
pain, depression, cancer and other chronic health conditions. VA Connecticut's Errera  
Community Care Center (ECCC). West Haven, Connecticut, April 2011.

Les facteurs de risque psychosociaux pour la douleur et l'incapacité.  
CSST. St. Jerome, QC, January 2011.

Psychosocial interventions for the prevention of pain-related disability.  
Department of Physical Therapy. McGill University. Montreal, QC, November 2010.

Psychosocial interventions for the prevention of pain-related disability.  
Department of Occupational Therapy. McGill University. Montreal, QC, November 2010.

Le rôle de la perception d'injustice dans la réadaptation des personnes ayant des  
lésions musculo-squelettiques. Centre de Evaluation et Readaptation. Montreal, QC,  
November 2010.

Perceptions of Injustice as a Risk Factor for Problematic Recovery Following Whiplash Injury.  
VPI Inc. Mississauga, ON, October 2010.

Psychosocial risk-factors for pain-related disability: Detection and intervention.  
11<sup>th</sup> Canadian Conference on Collaborative Mental Health Care. Winnipeg, MB, May  
2010.

Perceptions of injustice and recovery trajectories following musculoskeletal injury.

- Saskatchewan Workers' Compensation Board. Saskatoon, SK, May 2010.
- Pain, mental health and rehabilitation.  
Saskatchewan Workers' Compensation Board. Saskatoon, SK, May 2010.

This committee adjudicates approximately 60 applications per year.

National Health Research and Development Program (NHRDP)  
Member of Adjudication Committee, 1998 – 2000  
This committee adjudicates approximately 90 applications per year.

Social Sciences and Humanities Council of Canada (SSHRC)  
Member of Adjudication Committee 1997 – 2002  
This committee adjudicates approximately 160 applications per year.

## **Organization of Scientific Meetings**

Montreal Symposium on Pain, Communication and Relationships.  
Constance Lethbridge Rehabilitation Centre, Montreal, May 15, 2009  
Role: Chair

IASP Satellite Symposium on Pain and Movement  
World Congress on Pain, Dublin, August 13-15, 2008  
Role: Chair

Société de l'assurance automobile du Québec (SAAQ)  
Congrès Québécois de réadaptation en traumatologie, 17-18 novembre 2005  
Role: Responsable, comité scientifique de la SAAQ, axe douleur

Société Québécoise de Recherche en Psychologie  
Montréal, Québec 2003 - 2004  
Role: Program Chair

International Conference for the Study of Personal Relationships  
Halifax, July 5 – 8, 2002  
Role: Program Chair

### **Professional Memberships**

Canadian Pain Society  
American Pain Society  
Canadian Psychological Association  
International Association for the Study of Pain  
Ordre des psychologues du Québec

### **Research Grants Awarded (Principal Investigator)**

Louise and Alan Edwards Pain Research Foundation (2011 – 2012)  
Sullivan, M.J.L., Lariviere, C., Comtois, A., Rainville, P.  
Psychological and Neurophysiological Determinants of Repetition-Induced Summation of Pain in Patients with Whiplash Injuries, \$49,780.00.

Canadian Institutes of Health Research (CIHR), 2010 – 2013.  
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.  
Determinants of Physical and Psychological Health Decline While Waiting for Joint Replacement Surgery, \$247,000.00.

Canadian Institutes of Health Research (CIHR), 2010 – 2011.  
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.  
Determinants of Health and Mental Health Decline While Waiting for Joint Replacement Surgery, \$100,000.00.

Social Sciences and Humanities Research Council of Canada, 2009 – 2011  
Sullivan, M.J.L.  
Catastrophizing, Pain Behaviour and Disability: The Role of Communication Goals, \$93,500.00

Canadian Institutes of Health Research (CIHR), 2008 – 2009  
Sullivan, M.J.L., Dunbar, M., Stanish, W.D., Tanzer, M.  
Psychological Determinants of Accelerated Health Decline while Waiting for Joint Replacement Surgery, \$100,000.00

Canadian Institutes of Health Research (CIHR), 2007 – 2010  
Sullivan, M.J.L., Lariviere, C., Simmonds, M.  
The Relation between Depression and Disability in Individuals with Whiplash Injuries, \$298,000.00

Institut de recherche Robert-Sauvé en santé et en sécurité du travail (IRSST), 2006 – 2009  
Sullivan, M.J.L., Simmonds, M., Velly, A.  
The Relation between Depressive Symptoms and Poor Rehabilitation Outcome  
for Work-Related Musculoskeletal Injuries, \$189,000.00

Fonds de recherche en santé du Québec, 2006 – 2009  
Sullivan, M.J.L., Simmonds, M., Velly, A.  
Psychological Prognostic Factors for Poor Treatment Response in the Rehabilitation of Whiplash  
Injury, \$147,148.00

Social Sciences and Humanities Research Council of Canada, 2006 – 2009  
Sullivan, M.J.L.  
Pain Catastrophizing and Pain Behaviour: The Role of Social Problem Solving and Communication  
Strategies, \$98,000.00

Canadian Institutes of Health Research, 2006 – 2011  
Sullivan, M.J.L., Stanish, W., Dunbar, M., Tanzer, M., Simmonds, M., Velly, A.  
Psychological Predictors of Prolonged Pain and Disability Following Total Knee Arthroplasty,  
\$345,000.00

Canadian Institutes of Health Research, 2004 – 2007  
Sullivan, M.J.L., Loisel, P., Durand, M.J.  
Cognitive Correlates of Pain Behaviour in Chronic Pain:  
Relation to Physical Abilities and Clinical Improvement, \$220,000.00

Social Sciences and Humanities Research Council of Canada, 2003 – 2006  
Sullivan, M.J.L.  
The Communicative Dimensions of Pain Behaviour, \$116,000.00.

Canadian Institutes of Health Research, 2002 – 2005  
Sullivan, M.J.L., Stanish, W.  
The Psychology of Pain and Disability Following Occupational Injury, \$225,000.00.

Canadian Institutes of Health Research, 2000 – 2005  
Sullivan, M.J.L.  
Development of a Community-Based Intervention for the Management of  
Persistent Pain Disorders, \$285,000.00.

Social Sciences and Humanities Research Council of Canada, 2000 – 2003  
Sullivan, M.J.L.  
The Psychology of Pain and Disability, \$94,000.00.

Social Sciences and Humanities Research Council, 1997 – 2000  
Sullivan, M.J.L.  
The Psychology of Pain Perception, \$60,000.00.  
Human Resources Development Canada, 1994 – 1995  
Sullivan, M.J.L.  
Consumer Involvement in Health Policy Planning in Nova Scotia, \$38,000.00.

Social Sciences and Humanities Research Council of Canada, 1993 – 1997  
Sullivan, M.J.L.  
Depression and Social Information Processing, \$72,000.00.

Health and Welfare Canada, 1992-1993  
Sullivan, M.J.L.  
Out-Reach Rehabilitation in Canada, \$24,000.00.

Social Sciences and Humanities Research Council of Canada, 1991 – 1993  
Sullivan, M.J.L.  
Depression and Social Information Processing, \$30,000.00.

Dalhousie Research Development Fund, 1991 – 1992  
Sullivan, M.J.L.  
Affective Processes in Social Perception, \$9,000.00.

Royal Ottawa Health Care Group Foundation, 1989 – 1993  
Sullivan, M.J.L.  
Adaptation to Disability, \$60,000.00.

### **Research Contracts Awarded**

Société de l'assurance automobile du Québec (SAAQ), 2003 - 2004.  
Programmation de services de réadaptation des blessures de tissus mous suite aux entorses cervicales. \$78,000.00.

### **Research Grants Awarded (Co-Investigator)**

Le Programme ACCORD, Alliances communautaires pour la recherche en santé et l'échange des connaissances sur la douleur  
Choinière M, Marchand S, Montague T, Dion D, Bourgault P, Johnston C, Lalonde L, Lamarre D, Lebel P, Lussier D, Perreault S, Riopelle R, Simmonds MJ, Sullivan MJL, Tousignant MY, Vanasse A.  
CIHR  
2007-2013 : \$2,489,464.

Biomechanical, Neuromuscular and Psychological Characteristics of Low Back Pain: A Preliminary Study  
Kozey, JW, Hubley-Kozey, CL, Stanish, WD, Sullivan, MJL.  
Workers' Compensation Board of Nova Scotia  
2006-2008 : \$50,000.00

Développer, évaluer et implanter des modes de prise en charge pour le retour et maintien au travail des personnes ayant des troubles musculo-squelettiques.  
Loisel, P, Durand, MJ, Gagnon, D, Imbeau D, Larrivière C, Baril, R., Sullivan, MJL.  
FRSQ ; Subvention à la recherche en santé et société.  
2005-2008 : \$800,000.00

Training Program in Work Disability Prevention.

Loisel, P, Durand, MJ, Gagnon, D, Imbeau D, Larrivière C, Baril, R., Sullivan, MJL.  
Canadian Institutes of Health Research, Training Grant  
2003-2008 : \$1,200,000.00.

Distress Reduction in Dental Hygiene Treatment

Neish, N., Sullivan, MJL.  
Canadian Dental Hygiene Association  
1996-1997: \$7,000.00.

Depression and Social Information Processing

Conway, M., Sullivan, MJL.  
Social Sciences and Humanities Research Council  
1988 - 1990, \$37,000.00.

Cognitive Deficits and Depression in Acute Neck Sprain

D'Eon, J., Sullivan, MJL.  
University of Ottawa Medical Research Fund,  
1988 - 1989, \$12,500.00.

## Teaching

### Graduate courses taught:

1. Brief intervention strategies
2. Psychological influences on health
3. Psychosocial dimensions of pain and disability
4. Advanced intervention
5. Assessment and interviewing
6. Couples in therapy
7. Multivariate statistics

### Undergraduate courses taught:

1. Comparative models of intervention
2. Introduction to Social Psychology
3. Introduction to Clinical Psychology
4. Experimental Social Psychology
5. Univariate Statistics

## Current Graduate Supervision

Student: Dorothee Lalongo, BA  
Program: PhD Clinical Psychology  
Thesis topic: Pain communication in patients with fibromyalgia  
Funding: FRSQ, IRSST  
Admitted: 2004

Student: Tsipora Mankovski  
Program: PhD Clinical Psychology

Thesis topic: Placebo effects on pain behaviour  
Funding: MUHC Research Institute Scholarship, IRSST  
Admitted: 2007

Student: Timothy Wideman, BSc, PT  
Program: PhD Experimental Psychology  
Thesis topic: Brief psychosocial interventions for pain-related disability  
Funding: SSHRC, CIHR, FRSQ  
Admitted: 2007

Student: Whitney Scott, BA  
Program: PhD Clinical Psychology  
Thesis topic: Perceived Injustice, Pain and Disability  
Funding: McGill University Graduate Scholarship, CIHR  
Admitted: 2009

Student: Johanna Harrison, BSc  
Program: PhD Clinical Psychology  
Thesis topic:  
Admitted: 2011

### **Non-Curricular Involvement**

CD Release, Mick Sullivan and Stephen Read, "Common Ground", Hometown Music.  
Nominated "Best Country Artist", East Coast Music Awards, 1999
